**To which race or ethnicity do you most identify?**

Hispanic or Latinx

**To which gender do you most identify?**

Female

**What prior work experience do you have? (Check all that apply)**

I have volunteer experience

I have or have had a part-time job

**Describe the previous experience you have had (work/volunteer/ other), if applicable: Where did you work/volunteer and for how long? What did you do? (100-200 words)**

I volunteered with the Summit YMCA for two summers in the junior campers program. I worked with the senior camp counselor to manage the ten middle school campers.

I worked in Target in a retail position during the holiday season 2022 and 2023

**What kind of work do you hope to do after completing your education? Please describe the type of work you hope to do and why. (100-200 words)**

I am considering grad school but am also interested in getting additional experience in the marketing operations area. I am very interested in consumer spending and engagement and how this is incorporated into business marketing decisions

**What activities are you involved with outside of school. What do you do outside of class or of school (e.g., community service, athletics, clubs, family responsibilities)? What do you like to do for fun? (100-200 words)**

I am an active member of the student government and the former treasurer of the Business Finance Club.

I babysit local families and also play club volleyball.

**Is there anything else that you would like the hosting organization to know about you? (100-200 words)**

I am very organized and highly motivated. I enjoy learning and like being part of a team.

**Who is supporting your application (Name of Sponsor Organization)?**

Elevate+

**Sponsor's Name**

Carolyn Parelli

**Sponsor's email**

carolyn.parelli@eleven-plus.org

**Application A: Organization Name:**

Sage Eldercare

**Application A: Internship Title:**

Development Intern

**Application A: Why are you interested in this organization and in this internship? (50-75 words)**

I am interested in learning more about development and fundraising strategies. I also enjoy working with older adults.

**Application A: Why do you feel you are a good fit for this internship and how do you feel this experience will benefit you? (100-200 words)**

As an active member of the Business Finance Club, I was very involved in all of our fundraising events over

the last three years. I feel I understand the role and what it requires. I also think it allows me to develop and gain the necessary skills for my future career aspirations.

**Application B: Organization Name:**

Global Partners LLC

**Application B: Internship Position Title:**

Marketing Intern

**Application B: Why are you interested in this organization and in this internship? (50-75 words)**

I am very interested in data analytics and how it affects marketing strategies and decisions. I am also very interested in learning about the Mobility industry.

**Application B: Why do you feel you are a good fit for this internship and how do you feel this experience will benefit you? (100-200 words)**

I have experience with campaign development and content creation, as I was responsible for both of these tasks in the Business Finance Club. This experience would also allow me to develop and gain the necessary skills for my future career aspirations.

**Application C: Organization Name:**

Education in Action LLC

**Application C: Internship Position Title:**

Program Marketing Intern

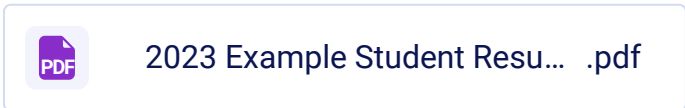

**Application C: Why are you interested in this organization and in this internship? (50-75 words)**

I am very interested in Education In Action's role in the community and understand the importance of connecting students with educational tools and resources.

**Application C: Why do you feel you are a good fit for this internship and how do you feel this experience will benefit you? (100-200 words)**

In my camp counselor role, I worked directly with the middle school campers and learned how to engage with them and make them feel comfortable. I also had to engage with the parents and was able to communicate with them effectively. This experience would also allow me to develop and gain the necessary skills for my future career aspirations.
